

Nursing Week

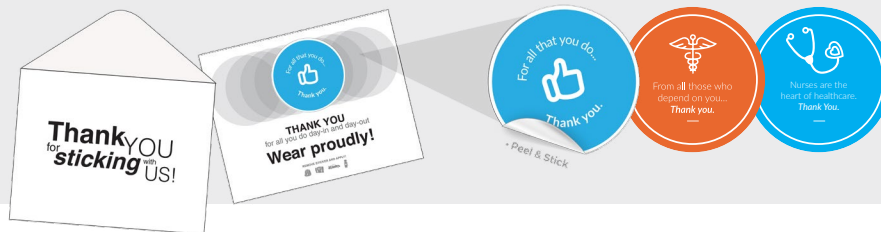

A week of thanks for years of caring

Nurses play a critical role in your patients' health, experience and hospital costs. Nurses also happen to comprise the single largest component of hospital and long-term care staff.

Show your nurses how incredibly proud you are of the work they perform with **CSISTARS** personalized gifts.

Thanks for Sticking with Us

We'll design a custom sticker for you with your hospital logo, mission statement and messaging, presented with a thank you card and envelope, for less than \$3/sticker.

Initials Appreciation Items

Wow staff with our Initials line gifts that can be personalized on-the-spot. Each gift has two nest spots for our unique metal medallions. Medallions can be personalized with your employee's initials, your logo, a custom or in-stock message.
